

## Feedback & Commitment Cards

You heard a lot of updates on state and federal policy initiatives today, so we want to give you a chance to share your reactions and insight from the field. Please take some time to answer the questions below and let us know how you would like to get involved.

**Which of the federal policy issues do you feel would have the greatest impact on your community and the families you serve? Please explain why and how you think your community would be impacted.**

**What additional thoughts, concerns, and opportunities came to mind for you regarding the state and federal policy updates?**

- I am interested in hosting a community event with IAFC (and advocacy partners, if applicable) to present on one or more of the policy issues discussed today:**
  - American Health Care Act (AHCA), Medicaid, Children's Health Insurance Program (CHIP)
  - Maternal, Infant, and Early Childhood Home Visiting (MIECHV)
  - Child Care Tax Credit Proposals
  - State Policy & Budget Updates
  
- I am interested in meeting with my legislator.** The Public Policy team will follow up with you to help facilitate.
  - Federal
  - State
  
- I am interested in hosting an Advocacy 101 training.** The Community Engagement team will reach out to set up a training.
