Notes: Data are from June 2023. Only Cook County data are reported for municipalities that cross the county border. Licensed home data are from the Illinois Department of Children and Family Services. Licensed center data are from the Illinois Action for Children Resource and Referral program. They include child care centers, preschools, and park & recreation programs that are licensed and offer full-time care to children under age five for the full year or school year. School-age only programs are not included.

<sup>1</sup>Total slots include all ages served by a center, including school-age

<sup>2</sup>The sum of center slots by age may not equal the total center slots. One reason is that some centers do not report their slots by age to Illinois Action for Children. See column labeled "Number of Centers Reporting Slots by Age."
